Why another training?

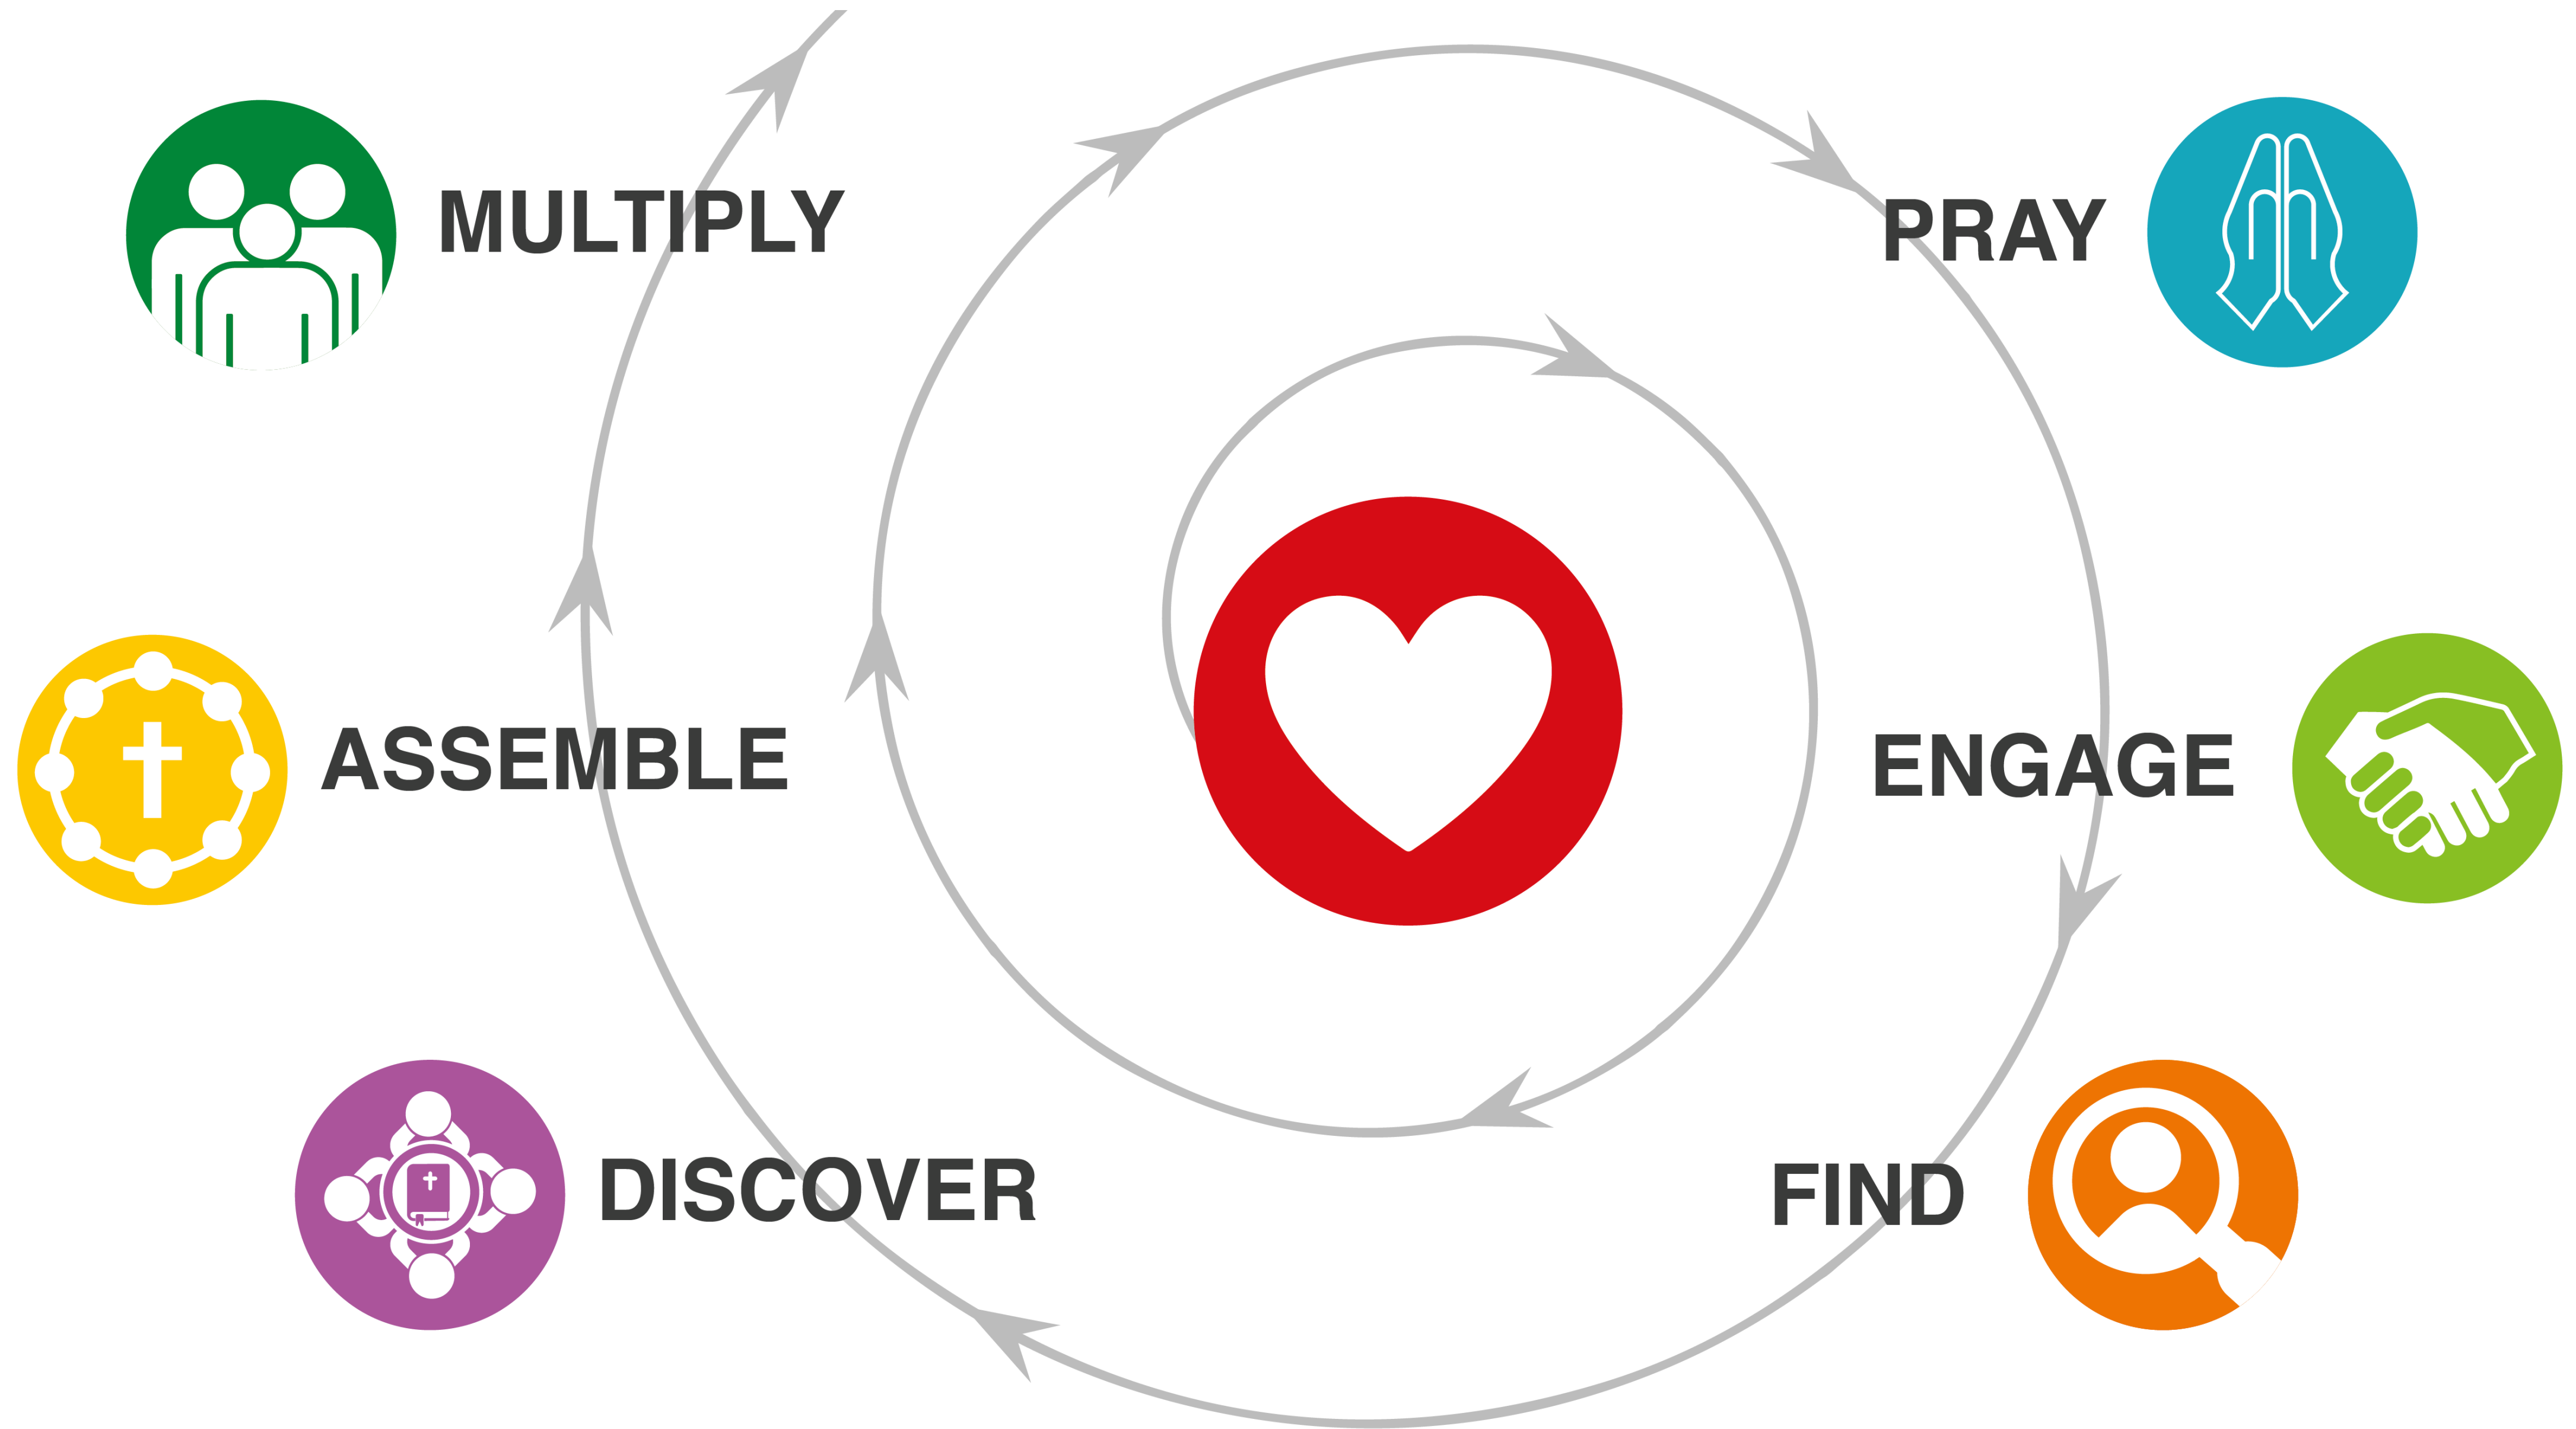

- Focus of this training: *developing new Habits*.
- When we let these habits become our lifestyle, we call it a “DMM Lifestyle.” This is our prayer for you!
- DMM = Disciple Making Movements.
 - This lifestyle is a biblical but different way to obey the Great Commission, focused on the life of Jesus and his early disciples, which allows people time to discover and process with their groups.
 - When God moves, this process/lifestyle can become a Church Planting Movement. A “movement” or “CPM” is when 100 churches are planted, at least 4 Generations deep in multiple streams, in a short-period of time.

Church Planting Movement

- CPM = More than 100 churches in multiple streams to 4th Generation over a short period of time

This week's Assignments

(PRINT THIS PAGE SO YOU REMEMBER *TO DO EVERYTHING*)

- HEAD: Do a 3 Column Study on John 15:1-8. ALSO, re-read this powerpoint and consider it carefully. Write down any questions you have so you can ask during our next class session.
- HEART: Add 5-minutes of prayer daily for God's Vision
- HANDS (& FEET): Do a prayer walk with one or several other people praying for your community or target area. Bring along the verses you have listed for God's vision and use them as you pray for your community. IF people ask you what you're doing, tell them—and offer to pray for them. IF you see needs as you walk, pray about them—and immediately do any small thing you can to address them.
- GROUP – Don't forget to feed prayer requests to your group chat. Also, let's make a "Burma DMM Habits" group chat and pray for each other!
- TEAM – Pass this Lesson onto your team
